### **Sullivan Primary School**

Date of last review:	November 2021	Review period: 4 years
Date of next review:	November 2025	Owner Wendy: Aldridge
Type of Policy:	School Policy	Approval: Local Governing Body

## **Introduction**

This equality policy provides a format for addressing the statutory duties of the equality act 2010. This supersedes and brings together all previous statutory policies in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

This document sets out how persons – including pupils - with the following protected characteristics will be protected in our academies from harassment and discrimination:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

It outlines the commitment of the staff, pupils and governors of Sullivan Primary School to ensure that equality of opportunity is available to all members of the school community. For Sullivan, this means not simply treating everybody the same, but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the equal opportunity, achievements and strengths of all members of the school community.

These include:

- Pupils
- Staff
- Parents/carers
- Governors
- Multi-agency staff linked to the school
- Visitors to school
- Students

This policy applies to the whole school community and will be reviewed annually.

## **Statement of Principles**

We believe that equality within Sullivan should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At Sullivan, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential irrespective of any recognised area of discrimination (Single Equalities Act 2010).

At Sullivan our admissions arrangements are fair and transparent. We aim to provide all our pupils with the opportunity to succeed and reach their full potential. The achievement of pupils will be monitored by the Headteacher and other leaders as appropriate in light of the protected characteristics outlined in the Equality Act 2010. This data will be used to support pupils, raise standards and ensure inclusive teaching.

We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. We will endeavour to ensure that when we buy services from another organisation that will help us provide high quality education, that organisation will comply with equality legislation. This will be a significant factor in any tendering process.

This policy outlines the commitment of the staff and governors to promote equality by providing a working environment free from discrimination, bullying, harassment and victimisation.

## **Statutory Requirements**

The Equality Act 2010 which came into force in April 2011 has brought together all the current discrimination law as into one and sets out the protected characteristics' that qualify for protection from discrimination as:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

The Act introduced a single Public Sector Equality Duty (PSED), sometimes referred to as the general duty.

The combined equality duty has three main elements and in carrying out our functions we will have due regard to the need to:

- Eliminate all forms of discrimination, harassment and victimisation that are prohibited by the Act;
- Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it;
- Foster good relations between persons who share any relevant protected characteristic and persons who do not share it.

The specific duties, which will help us to fulfil our obligations under the general duty, require us to:

- Publish information to demonstrate show we are complying with the Public Sector Equality Duty;
- Prepare and publish equality objectives.
- In light of the specific duties the school will publish and review annually appropriate information. We will also prepare and publish equality objectives that will be outcome focused.

## **School in Context**

Sullivan is a one-form entry primary school with a 26 FTE place nursery and a 20 place additionally resourced base for children with an EHCP. Although the SEN unit is identified as serving children with moderate learning difficulties by category, the complexity and severity of needs within the resource base has increased significantly over the past 5 years.

Pupils come from a range of socioeconomic backgrounds. The achievement of pupils is monitored by race, gender and disability and the data will be used to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes, creating an environment that embraces respect for all.

The school became part of an independent Multi Academy Trust in October 2016 along with two other local Community Primary Schools. Brightwells Academy Trust is being supported by the London Diocesan Board of Schools (LDBS).

## **Monitoring and Review**

Sullivan is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupil progress. As part of this process, we regularly monitor achievement by ethnicity, gender and disability, to ensure that all groups of pupils are making the best possible progress, and take appropriate action to address any gaps.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Sullivan is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

Due regard is given to the promotion of equality in the Schools' Evaluation and Improvement Plans. The person responsible for monitoring and evaluation is the Headteacher along with the Assistant Headteacher/other leaders.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions;
- Work with the governing body on matters relating to equality;
- Support evaluation activities that moderate the impact and success of this policy.

As well as the specific actions set out beneath this plan; the school operates equality of opportunity in its day-to-day practice as follows:

- Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

## **Admissions and Exclusions**

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will always be based on the school's Behaviour Policy and Exclusion Guidelines. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

## **Staffing and Staff Development**

At Sullivan we are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.
